**Pastoral Goals for St Veronica's Parish 2011**

As some of you recall, many parishioners responded to the parish-wide consultation last winter and the pastoral council read all the responses and derived the following set of pastoral goals based on your responses.

1. Increasing how many people know each other and the depth of social connections among parishioners.
2. Retaining teens beyond their Confirmation.
3. Reaching out and supporting the needs of parishioners and the wider Dorval community.
4. Providing a range of opportunities for adult enrichment on issues of faith and life.
5. Identifying talents and encouraging leadership in the parish across all age groups.
6. Increasing the visibility and impact of the social justice dimension of individuals and parish life.

These goals are designed to orient us in pastoral planning over the next couple of years, keeping us focused on the values, concerns and priorities expressed by parishioners.
